**Frank Foundation
Child Assistance
International
(FFCAI)**

FFCAI is a nonprofit organization, established in 1991. Their mission is to provide assistance to disadvantaged children. Their activities are guided by two objectives: delivering immediate relief for children with the greatest need and sustaining ongoing efforts to eradicate suffering for all children. FFCAI believes that by working with one child at a time, the otherwise daunting task of trying to save every child becomes manageable.

Friends of Frank (FoF) is a volunteer organization committed to helping children of the former Soviet Union. Working closely with FFCAI, 100% of the proceeds raised by this organization go directly to the cause.

Hope for Disabled Children of Borovichi

The **Borovichi orphanage** in Northern Russia has a separate wing dedicated to severely disabled children. These children are nearly forgotten. Little financial aid is available for them. There are simply not enough children to garner attention, let alone funding to their plight.

Less than 20 children are kept in

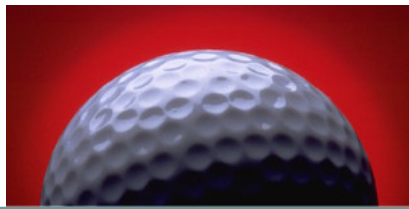

this isolated area. Separated from the healthy children, they lie in pain and silence - often alert minds trapped inside severely physically disabled bodies. The paint peels on the walls, the broken windows let in the harsh Russian weather. And they lie there. No stimulation, certainly no therapeutic equipment. The staff of the Borovichi home do their best to help these children, but without adequate facilities, spirits are very low.

The ninth annual Fore the Children Annual Golf Classic will dedicate its proceeds to transform the living conditions of these special needs children by making extensive repairs to this wing and renovate as many of the deteriorating structures as possible. It is our goal that each of these children be able to experience as full of a life as possible—a therapy swing, bright murals on the wall, rooms filled with music, soft clothing, nice clean mattresses, and adequate bathroom facilities. Yes, these children's needs do seem overwhelming but together we can make a difference. This humanitarian effort exemplifies the Frank Foundation belief that by working with one child at a time, the otherwise daunting task of helping all the children becomes manageable.

100% of the proceeds of the tournament will be directed towards this effort.

Thank you for your support in creating a brighter future for the most needy children of Borovichi!
